## **PROFILE**

An educated, informed and competent Logistics Manager who has a long track record of delivering the right products, in the right quantities, to the right location and at the right time.

He is organised, process driven, and has the ability to develop efficient logistics procedures. In his long career he has had extensive exposure to first tier logistics and manufacturing supply chain management.

He is pro-active and able to keep numerous plates spinning without losing focus on the customer's requirements.

As a proven leader he is able to quickly establish clear expectations from junior staff, and he does this by demonstrating high standards of work practices and having a safety conscious attitude.

He always encourages colleagues to work cross functionally, and not stop at the boundaries of their job description.

Right now he wants to be part of a successful operation, and
